Sir or Madam:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

This Information Disclosure Statement serves to correct typographical errors made on Forms PTO-1449 that were filed on April 12, 2010 and August 4, 2008.

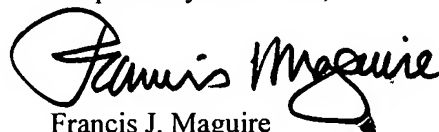

With regard to the Information Disclosure Statement filed April 12, 2010, reference U.S. Patent No. 5,887,812 was erroneously cited; the correct reference is U.S. Patent No. 5,877,812 to Krause et al. The correction has been made on the enclosed Form PTO-1449.

With regard to the Information Disclosure Statement filed August 4, 2008, and specifically with regard to the cited Mexican Patent Office "Official Action" reference, applicant would like to point out that the English translation of the cited reference contains a typographical error. On page 1 of the translation, reference D2 is listed as US Patent 5,481,643, however the correct reference (as cited in the Mexican Official Action) is US Patent 5,481,543. The correct patent is disclosed in the attached form PTO-1449.

Since the Information Disclosure Statements of April 12, 2010 and August 4, 2008 were filed in good faith without realizing the typographical errors, it is requested that the Examiner consider the correct references listed on the enclosed PTO-1449.

If there are fees and/or a petition due with this Statement that is/are for some reason incorrect or missing, the Commissioner is authorized to consider this paper as a substitute for any missing petition and/or to deduct/credit the missing amount or any shortfall/excess from/to our Deposit Account No. 23-0442.

Respectfully submitted,
